Learn to play

Learning to play an instrument can be expensive....but not here at The Hive! On our junior and senior sessions, learning to jam on the drums, guitar or keys is all included with your 50p.

Check out our learn-to-play times below and come and talk to Tom or Ant!

Mega media squad!

Everything at The Hive is mega this month - including with our media squad. If you fancy learning how to set up for filming, videography, video editing and green screen - speak to Abby!

Easter's on the way...

There won't be a Juniors session on Easter Sunday, though HiveAbility will still run 10am-2pm as normal. We're closed on Easter Monday. Keep an eye on our socials for information on our holiday club plans.

Calling all juniors!

Our junior council is back on **24th March!** This is your chance to help us run The Hive: help us plan activities, make sure we're using your feedback and get involved with The Hive's work in the community. Lots of our junior council

members have gone on to become young leaders and external ambassadors for our work.

I'm interested!

Up for an adventure?

We've got two spaces left on our fully-funded Bronze [Duke of Edinburgh Award](#) team for 2024. Fancy one? If you're 14 or over and keen to start your award, we'd love to have you on board! We'd especially love to hear from anyone who's keen to kayak for their expedition. Our DofE group meets on Monday nights here at The Hive.

I'd like to do my DofE
