Holiday club

Our #HAF2024 holiday club is booking for half and full day sessions on selected dates this Easter holiday.

We've got limited funded places left for young people who receive benefits-linked free school meals. Full booking info and your questions answered here.

An extra hour for your 50p this Easter!

We're super-charging the Easter holidays with a supersession for juniors on Wednesday 3rd April!

1-6pm - a whole extra hour of super fun for your usual 50p.

This replaces our usual Wednesday junior session that day, and all juniors **MUST** be collected by 6pm, when we close for the day.

Holiday club - limited places remaining

We've got limited funded places left for the afternoon of Tuesday 2nd and Thursday 4th - these are open to 8-12 year olds who receive benefits-linked free school meals. Young people will get to try all sorts of activities including dance workshops with [Full of Beans](#) and DJ skills workshops in the music studio. Meals and snacks included!

We're gonna party like it's our birthday...

All meals £1 from 1 April

Our funding for free meals is now all spent up - so our usual price of £1 is back on the menu this April. Did you know? More than 6,000 free meals have been dished up in Cafe Hive over the winter months.

Payment times at reception

We can't take payments for holiday club or other booked activities during the first and last 30 minutes of sessions. Our reception team is busy supporting young people as they arrive and depart during those times.

👁️ Hive fashion week 2024

This month will see our budding designers' creations hit the runway, with support from young people on our stage crew, music room and art rooms. Reserve your seat at seniors on 26th April.

👨‍🍳 Hit our training kitchen at Hiveability

We're going to be cooking up a storm on Hiveability every other Sunday from 14th April. Learn all sorts of kitchen skills, easy meals to make on a budget and tips for saving energy when you cook. Brunch anyone?

The Hive as your happy place!

Massive thanks to all members who took part in Have Your Say Day. We're so happy that 'happy' is the feeling that most of you linked with being here at The Hive. You gave us loads of great thoughts and ideas which we will be taking forward - so watch this space.
